

THE GRAND RAPIDS TRIBUNE

(FORMERLY THE GRAND RAPIDS LEADER)

FIFTH YEAR, NO. 2046.

GRAND RAPIDS, WISCONSIN SATURDAY, MARCH 20, 1920

PRICE THREE CENTS

JAIL AND FINE NEWBERRY FOR FRAUD

OSHKOSH MAN CAUGHT WITH SIXTEEN OTHERS

GIVEN TWO YEAR SENTENCE AND HEAVY FINE FOR PART IN MICHIGAN TROUBLE

Senator Truman H. Newberry sentenced to two years at Leavenworth.

Grand Rapids, Mich., Mar. 20.—Senator Truman H. Newberry and sixteen of his 84 co-defendants were found guilty of criminal conspiracy in the 1918 senatorial election by a jury in the United States district court here today. Besides the Senator the men convicted were his brother, J. F. Newberry, Paul King, his campaign manager, Frank Cody, New York legislative agent, Charles Floyd, Grand Rapids, Allen Templeton, president of the Detroit Board of Commerce, H. Hopkins, publicity director, Frank B. Emory, office manager, H. Turner, Detroit, E. V. Chilson of the national republican headquarters, Roger N. Anderson, Menominee publisher, N. Oaks, Detroit, J. Michels, Oshkosh, R. Fletcher, J. F. McGregor, Detroit, and J. L. Ladd, Sturbridge, Mass. All other defendants were acquitted on the first charge but none was found guilty on the sixth count. The penalty is a fine of \$10,000 and two years and less in prison.

Several to Get Two Years

Sentences were pronounced on the convicted men this afternoon as follows: Truman H. Newberry, two years in Leavenworth and \$10,000 fine; Frank Cody, two years at Leavenworth and \$10,000 fine; Paul King, two years in Leavenworth and \$10,000 fine; Charles A. Floyd, two years in Leavenworth and \$5,000 fine. Testimony offered by the defense was a dominating factor in bringing the jury to a verdict of guilty.

With Paul King's testimony that he told Senator Newberry the campaign would cost \$50,000 the government had a weak case, but without the King New York letter no case at all," said one of the jurors.

May Sit in Senate
Washington, Mar. 20.—Conviction of Senator Truman H. Newberry by the Grand Rapids jury does not invalidate his seat in the Senate, republican leaders said today. He will be entitled to retain office until the Senate itself acts, on the charges filed by his opponent, Henry Ford.

NOTICE TO SUBSCRIBERS

The carriers of the Grand Rapids Daily Tribune purchase the papers each week from this company. They deliver the papers to the subscribers at a profit. They are also paid for carrying such papers as are paid in advance. The carrier boys of the Tribune are well paid for their services and should render efficient delivery at all times. In the last week there are several routes which have been shifted and new carriers put on. They have caused some confusion, which we believe has now been cleared up.

Subscribers, who do not promptly pay the boys for their subscription are working a hardship on the boys. The company urges the subscribers to pay promptly on order that the boys will not have to carry too many on credit. Those who have been in the custom of making their remittances to the office, will kindly do so at their earliest convenience.

WANT RECREATION HALL

LaCrosse, Wis.—Whether Fountain City will become one of the progressive communities of this section in the movement for public entertainment and recreation, will be decided April 6 when an election will be held on a \$20,000 bond issue for the construction of a recreation hall. Two neighboring places, Whitehall and Galesville, have made a success of the community hall plan, and leading citizens in Fountain City advocated a referendum on the question.

ICE TOOK NETS

Sheboygan, Wis.—Smith Brothers & Koehn, local fishermen, sustained a \$1,500 loss on their nets and the loss of several hundred pounds of fish due to the movement of ice in the lake. Other local fishermen's losses have not been estimated.

RETURN TREATY TO PRESIDENT

FAIL TO RATIFY DOCUMENT FOR FOURTH TIME; MAY ACCEPT KNOX'S PEACE PLAN WITH GERMANY

(By Associated Press)
Washington, Mar. 20.—The treaty of Versailles was returned to President Wilson today by the Senate after it had failed of ratification last night for the fourth time.

May Declare Peace
With the peace treaty on its way to the White House, today, accompanied by notification to the President that the Senate had finally refused to advise and consent to its ratification, "Senator Knox' resolution to declare a state of peace with Germany will Consideration last night after the adjournment of the Senate floor." verse vote on ratification was followed by adjournment until Monday. Republican leaders expected some such measure to be passed.

Suggestions that President Wilson might return the treaty to the Senate brought emphatic statements from the majority that it virtually would be pigeonholed in the Foreign Relations Committee. In any case the treaty question was regarded as already ejected into the presidential campaign as one of the main issues on which republicans and democrats will fight for national endorsement this fall.

Couldn't Agree
Ratification was defeated last night by a vote of 49 to 35, the line up for 23 republicans and 21 democrats for and 23 democrats and 12 republicans against. The net result of the compromise negotiations was the addition of 17 democrats to those voting for ratification.

ARREST NEKOOSA MAN ON ASSAULT CHARGE

AUGUST NEUENFELDT TAKEN AT JANESVILLE BY KELLY

August Neuenfeldt, one of the striking employees of the Nekoosa-Edwards Paper Co., was arrested at Janesville Thursday by Undersheriff Thos. Kelly, charged with assault and battery upon the person of Emil Beske, a mill employee at Nekoosa. The case grew out of a fight which is alleged to have occurred between the men. There are several conflicting stories about the affair which was said to have occurred some weeks ago, one being that Neuenfeldt walked out of the union hall in Nekoosa assaulting Beske with a "billie" and beating him up. Another version is that they had a dispute and walked to the center of the road to settle it, Neuenfeldt getting the best of the argument. When brought before Court Commissioner Vaughan the case was adjourned until today, and will probably be adjourned to some future date when the attorneys are able to present their arguments. Dist. Atty. Calkins appeared for the state and Attorneys Crowns and Briere for the defendant. Neuenfeldt furnished \$500 bonds for his appearance.

STOLE PAUPERS MONEY

Sheboygan, Wis.—Thieves entered the Christian Reformed church here, opened two metal boxes containing \$200, most of which was for the support of the congregation's poor and escaped. The empty boxes were found in the church basement. The locks had been removed.

GET ILLEGAL RAISE

Sheboygan, Wis.—Altho City Attorney D. R. Phalen has rendered an opinion to the effect that the recent increase in salaries of \$20 a month granted by the Board of Education to all teachers and principals of the public schools, is illegal, there will be no strike, it is assured by the teachers. They are confident that the school board will find a favorable solution to the problem of adequate remuneration.

FIGHT GAS RAISE

La Crosse, Wis.—The city of LaCrosse has two gas cases pending before the Railroad Commission of Wisconsin and the circuit court of Dane county and supreme court. In both actions the Wisconsin-Minnesota Light and Power company is attempting to increase the gas rate here above \$1.30 while the city is vigorously opposing the actions.

WINTER ENDS TODAY: SPRING HAS ARRIVED

BUDDING FLOWERS AND FIELDS OF DAISIES ARE DUE

Winter officially passed into the great beyond this afternoon at 4:59, according to the statisticians who have figured out the matter to the second, and Grand Rapids is not enjoying the first day of spring. Great flocks of robins, budding flowers, the bubbling of the poetic brook and other favorable signs of nature may appear at any moment, along with the youthful like Walton digging in the rear lot for the elusive angle worm which offers attractive lure to the gamy sucker.

Weather Cool
Officially the weather did nothing startling on the last day of winter, registering 45 above at the highest point on Friday and 23 above at the lowest. Last year the same day recorded 65 as the highest and 34 as the lowest. In 1910 the thermometer registered 71 above on March 19th, Mr. Nixon has discovered, but in 1917 registered 3 below.

Snow Going
The total fall of snow this winter to the present time has been five feet and one inch, the total last year being three feet five and eight-tenths inches. The total precipitation this winter has been 7.79 hundredths inches, while the thermometer has been below zero 49 times during the winter. Snow has been continuously on the ground for 115 days. Mr. Nixon has found that the thermometer has registered below zero here after March 20th three times in the last twenty years. He predicts several days of favorable weather.

FINED FOR NOT SHOWING UP

FORMER GRAND RAPIDS RESTAURANT MAN HELD IN CONTEMPT OF COURT PROCEEDING

William Conley, former proprietor of the Owl Luteh Car in this city, appeared before Judge Byron B. Park Friday afternoon, paying a fine of \$20 and costs amounting to \$90 for not appearing in the court last week against Joe Weisang, after being subpoenaed as a witness in the case. The man was arrested at Janesville Thursday on a bench warrant issued by Judge Park charging contempt of court. The bench warrant was the second issued from the bench by Judge Park in this city, a similar warrant having been issued a few years ago.

Had Convicting Story
Dist. Atty. Frank W. Calkins appeared on the stand testifying that he was with the sheriff at Janesville when subpoenaed Conley. He stated that he had talked with Conley and found out what his testimony would be. He said that Conley told him that he had been running a hotel at Jefferson, Wis., previous to his running a hotel at Janesville, and that Weisang had come there offering to sell him some Liberty bonds. He stated that Conley said he didn't buy any. He also told the court that Conley told him that Weisang was there previous to his trip to Grand Rapids, telling Conley that he was coming up here and a few days later appearing at Jefferson offering to sell the bonds.

Sheriff Cliff Bluet appeared on the stand stating that he had subpoenaed Conley Feb. 26, 1920, ordering him to appear here March 9th.

Said He Was Waiting
Conley stated that he had received a letter from the District Attorney some time before Feb. 26th asking him if he would appear here without being subpoenaed. He did not answer the letter and stated that he was waiting to hear further from Attorney Calkins.

Judge Park told Conley that he was a very important witness against a very disreputable fellow, who he indicated, should have been convicted of the charge which had been brought against him.

Was Important
According to the belief of several attorneys Weisang would have been convicted and the testimony which he had given to the District Attorney before given in court by him. Conley's failure to appear, they contend, was probably the only thing that saved Weisang from conviction.

CHARGE PAYING TOO HIGH PRICE

MOTT & WOOD COMPANY GAVE FARMER TOO HIGH A TEST ON CREAM

The Mott & Wood Co., of this city, who operate one of their branch creameries in Stevens Point, were brought into court at Stevens Point on Friday to face a charge of giving a farmer too high a test for his cream, a law which has recently been enacted in the state.

Rival Makes Complaint
The complaint was made by the Sheboygan Creamery Products Co. in Stevens Point who operate a branch in that city. According to the testimony they brought into court they had secured a can of cream from one of their patrons, testing it and determining the price to be paid. They then gave the farmer the cream and sent him to the Mott & Wood Creamery, where it was tested and a price which amounted to about 70 cents more for the can was offered.

Appeal Case
Basing their complaint on this over-charge the Sheboygan company brought the case into court, where a decision was rendered in favor of the plaintiff. The court stated that he did not want to give a decision in the matter and wanted to have the circuit court decide the case to avoid any trouble over this in the future, so decided in favor of the plaintiff, the Mott & Wood Company appealing to the circuit court. Theo. W. Brazeau, of Goggin's Brewery & Goggins, appeared for the Mott & Wood Co.

MAIN UNDER RIVER HAS ANOTHER LEAK

WILL NOT BE REPAIRED UNTIL AFTER THE SPRING FLOODS

Manager Weeks stated this morning that the watermain which crosses the river had sprung a leak. Tests were carried on yesterday to find out if damage had been done. It is believed that the trouble this year will not be as bad as in previous years as the leak is apparently a small one in one of the joints.

Repairs will not be started until all high water from the spring floods have passed, Mr. Weeks said today. It will be necessary to employ a diver to come to this city to make the repairs.

SOME DOGS

Sheboygan, Wis.—There are 6,081 dogs in this county, according to statistics obtained by the county clerk. Of these, the city of Sheboygan has 645.

CIRCUIT COURT SETTLES CASES

CLEAN UP SEVERAL SMALL SUITS ON CALENDAR—BIG CASES COMING

Rudolph Steenbrook, a farmer residing in the town of Sigel, who brought suit against Wm. C. Kaste, of Biron, charging that Kaste had taken some stanchions and wood from his farm after trading it to Steenbrook, lost his suit in the circuit court, the jury finding that the wood and stanchions had not been included in the trade. The trouble grew out of a deal in which Steenbrook traded his farm near Biron to Kaste, along with some money, for Kaste's farm in the town of Sigel. After the exchange had been made Steenbrook claimed that Kaste had removed sixteen stanchions from the barn, which he valued at \$224 and thirty cords of wood, which was valued at \$90. The judge struck out the evidence regarding the wood and the jury took the matter of the stanchions into consideration deciding that the stanchions had not been removed by Kaste. Attorney Hugh K. Goggins of Goggins, Brazeau & Goggins appeared for the defendant. Attorney Chas. E. Briere appearing for the plaintiff.

Gave Woman Judgment
Mrs. Adelaide Craney was awarded a damage of \$266 by Judge Park on Friday in a suit which she had brought against Emil and Jane Beske, Jane Beske being her daughter. The case grew out of the transfer of money from Mrs. Craney to Mr. and Mrs. Beske. The plaintiff contended that she had loaned them the money with which to buy a piano, but that they had never repaid it. The defendants claimed that she had given them the money to buy the piano as a gift from her. The money changed hands in 1915 and nothing more was said about it. Last summer when the strike was in progress at Nekoosa the parties to the case had some dispute, the testimony showed, Emil Beske entering the employ of the Nekoosa-Edwards Company in spite of the fact that Mrs. Craney was a union sympathizer. Following this dispute she started action to recover the money, which was awarded her by the jury. Attorney Hugh W. Goggins appeared for the defendants and Attorneys Chas. E. Briere and A. J. Crowns for the plaintiff.

Horses Went Cheap
Rady Gilbert, who traded a team of horses "unsight unseen" to Charles Hardie for twenty-five bushels of potatoes, was awarded \$18.75 damages against Hardie by the jury, this being the price of the potatoes, which it was shown Gilbert never received. Hardie had never seen the team when the transfer was made and Gilbert had never seen the potatoes, altho he contended that the deal was made for good potatoes. Hardie took the team but when Gilbert's brother called upon Hardie for the potatoes, he refused to accept them claiming that they were not good marketable potatoes. Gilbert sued for the price of the potatoes and was awarded \$18.75 by the jury. Atty. John Roberts appeared for the plaintiff Gilbert and Attorney A. L. Smogonski of Stevens Point, for the defendant.

Several damage suits against the Nekoosa-Edwards Co. appear on Monday's calendar.

LIKE GRAND RAPIDS

Otto C. Baumel, representing a well known Cleveland Ohio skirt company, the S. Korach company, George Dresdner representing the G. & G. Waist and Dress Co. of New York and F. F. O'Brien representing R. Loewenbaum Co. of St. Louis were in the city on business, leaving today for LaCrosse. Before departing these men stopped into the Tribune office to compliment the city on its stores and pay tribute to the progressive management of many of them. They expressed their appreciation of hospitality here and at the Witter House.

LAUNCH MARYLAND

Newport News, Va., Mar. 20.—The super-dreadnaught "Maryland" designed as the most powerful battleship in the world was launched here today, with Mrs. E. Brooks Lee, wife of the Comptroller of the State, as sponsor. Secretary Daniels, Governor Ritchie of Maryland and a number of other naval officials attended the launching which is the first public one held since the United States entered the war.

FIRST TRIBUNE FIGHTER GETS STATE BONUS

VETERAN OF SECOND DIVISION RECEIVES LARGE CHECK IN REWARD FOR MILITARY SERVICE

Warren L. Cotton, a compositor in the employ of the Grand Rapids Daily Tribune, was the first of the seven fighting men in the employ of the Tribune to receive his state bonus check. Friday a check for \$244.67 from the Service Recognition Department at Madison arrived as a reward for Mr. Cotton's services in this country and abroad, being the payment of the \$10 per month for each month in the service, as paid by the Wisconsin people to their soldiers. Six of the other male employees of the Tribune are waiting for their bonus checks from the state, the amounts running all the way from \$180 for eighteen months service to considerably more than \$200 for more than two years spent in the camps of this country and in all of the principle campaigns abroad. Seven of the nine male employees of the Tribune were in the service of the United States during the war or previous to it.

Veteran of Second
Mr. Cotton enlisted with the National Guard Company at Wautoma at the outbreak of the war. The company was a unit of Wisconsin's Thirty-Second Division but early in the history of the Division it was decided to break it up and make replacement units of it. Mr. Cotton with several of the Wausara county boys was placed in the Second Division, a unit he went thru the major campaigns with.

William F. Huffman served eight months overseas with the American Field Service as ambulance driver with the 132nd Division Infantry, French Army, and nine months in the Field Artillery U. S. Army.

In Signal Corps
Paul A. Pratt, advertising manager of the Tribune, enlisted in June, 1917, as a private in the Signal Corps. He left for overseas service Nov. 12, 1917. He returned July 29, 1919, serving as an instructor in the Army Signal school and also in the Fifth Signal Battalion.

Edw. Harding, foreman of the mechanical department, is a veteran of the Third Division, having served with the Signal Corps of this fighting unit through the heaviest campaigns in France. Mr. Harding has a year and half in the service.

Veteran of Engineers
Henry Karnitz of the Tribune job department, served twenty-one months with the engineers of the Fourth Division. Mr. Karnitz was thru the major drives with his division and returned to this country last summer.

A. Reinert, makeup man on the Tribune, was one of the first vets in the office, having served with Troop II, of the U. S. Regulars, First Regiment in 1912. Mr. Reinert had completed his enlistment before the recent war broke out.

Frank Drumb, city editor, spent a year and a half in the marine corps, serving in this country.

MAY SETTLE SHANTUNG

Tokio, Mar. 20.—It is understood here that the government has instructed Yukichi Obata, the Japanese Minister in Peking to begin negotiations immediately for a special settlement on the Shantung question as the view of the Japanese and Chinese commission appointed to investigate have been found to concur in the main point and Japan is ready to make large concessions toward an amicable solution.

BROKE HIS HIP

Mrs. Otto Siewert has received word from Baraboo stating that her father, Herman Lucht, fell from a load of hay Wednesday, breaking his hip. Mr. Lucht is eighty-two years of age and was quite well known in this city, his many friends regretting to hear of his accident.

A LEAK AGAIN

It was found yesterday that there is a leak in the watermain which crosses the river. This is one of the annual signs of spring in Grand Rapids. It is also a signal to spend some of the city's money. In past years it has meant the expenses of a diver to come here at about \$35 per day, and all the expenses of repairs.

The city cannot prevent this interruption of service and can only do the next best thing by laying a temporary main over the bridge to carry the water until the repairs are made. It will be a boost to the water department's efficiency and the general safety to the people when the new bridge is built, when the watermain will be carried on a safe way in the floor of the bridge.

PERSONAL MENTION

Mrs. Arlie Gullickson, who has been visiting at the home of her parents, Mr. and Mrs. Peter McCamley, Washington Ave., returned to her home at Stevens Point this afternoon.

Lee Rumsey left this noon for Chicago on business.

Von Holliday is transacting business at Chicago.

D. R. Mead, Third St. S., left Thursday evening for Chicago, where he joined his wife, who has been

there for several days, attending the John McCormick concert in that city Friday evening.

Miss Dorothy Lapham of Nekooosa is a shopper in this city today.

Howard McCamley, who has been at Janesville, returned home Thursday and has accepted a position as an electrical lineman with the Consolidated.

Miss Rose Ripsiz, of Arpin, is visiting friends in the city.

Miss Mary Pittleman, of Arpin, is visiting friends in the city.

At the Theatres

It will be noted that the management of The Palace have substituted the Paramount picturization of Elinor Glyn's famous novel "The Career of Katherine Bush" for the Fred Stone stunt picture "Johnnie Get Your Gun", as a more suitable Sunday offering. The star of the startling screen story of woman's ambition is beautiful Catherine Calvert and the comments on the picture are so excellent that one is safe in predicting a day of delightful entertainment. John Goldsworthy as Lord Algernon Fitz-Rufus the young man whom she really loves and Crauford Kent as Lord Gerald Stowbridge the man who

really loves her, make a notable support. To those who have read the book and to those who have not, the picture is equally interesting.

PORT EDWARDS

Oscar Oilschlager, of Little Falls, Minn., is spending a few days at his home here. He leaves in the near future for Stutesville, Ohio, where he will be employed.

Mrs. H. Abrams was a shopper in Grand Rapids on Friday.

A. Khrenke, William Peterson and A. Buchholtz attended band practice in Grand Rapids Friday.

EASTERN SCHOOLS TO ENTER TRACK MEET

PENNSYLVANIA EXPECTS TO ENTER RELAY AND GEORGETOWN TOWN IN OTHER EVENTS.

Urbana, Ill.—Word has just been received from Lawson Robertson, University of Pennsylvania track coach, that the Red and Blue institution is planning to enter a one mile relay team in the University of Illinois third annual Relay Carnival which will be held here on the evening of March 16. In addition, it is probable that Penn may enter Sherman Landers in the special all-around indoor championship which is being staged as a feature of the Carnival.

The only obstacle in the way of sending a team, according to Robertson, is that the Meadowbrook games are scheduled for the same night in Philadelphia and it always has been customary for Penn to enter three or four teams in that meet. However, the Pennsylvania authorities are anxious to have at least one team in the Illinois Carnival and it is therefore quite likely that the one mile team, composed of Maxam, Eby, Davis, and Gustafson, which has been winning against all the eastern quartets, will be sent to Urbana for the big indoor meet.

Almost absolute assurances have been received from Georgetown university that Bob LeGendre, winner of the pentathlon at the Penn relays last spring, will be entered in the all-around event. In addition the Washington school will enter a medley relay team.

Although nothing definite is yet known, it is probable that Charles Paddock of the University of Southern California, who has made an enviable record in recent eastern indoor meets, will be among the entrants in the special individual events of the Carnival. The university

authorities are making special efforts to have him enter the competition.

That all of the middle western universities and colleges will be represented by large squads now seems certain from the numerous responses that have already been received here. In addition to the Conference schools many other western universities, including Notre Dame, Ames, Nebraska, Missouri, Kansas, and Michigan Aggies, have all signified their intentions of entering the Carnival.

Michigan, headed by Captain Carl Johnson, heralded as one of the most versatile athletes in college today, will have a big delegation. The Wolverines will have more than 15 men in the Carnival. They will be followed closely, however, by Chicago, Wisconsin, Northwestern, and Illinois, all of whom will have 12 or more entrants in the meet.

ALTDORF

The ladies aid of St. Joseph's church will meet with Mrs. Peter Casper on Sunday afternoon.

Mrs. Ruth Viertel and son, George, spent Monday and Tuesday in Grand Rapids.

Frank Huser, John Withalm, Wm. Looney and Wm. Peters were business visitors in Vesper on Monday.

Herman Viertel left Monday for Dubuque, Iowa, for a visit with his brother, Edward.

Services will be held at St. Joseph's church on Friday morning. Father Leuther of Grand Rapids will take charge.

The roads in this section of the country are in very bad shape at present.

REV. MEILICKE SPOKE AT LENTEN SERVICES

CHURCH FILLED TO CAPACITY AT SERVICES FRIDAY

Rev. Meilicke preached to a crowd which was estimated to be the largest of the week at the Lenten services Friday night. The chorus choir led in the singing for the evening.

Preaching on "Jesus on the Cross," Rev. Meilicke chose as his text: "There they Crucified him." Luke 24: 33.

Rev. Meilicke said, in part:

Challenge Attention

"God challenges man's attention to the Christ on the cross by declaring that 'He was delivered up by the determinate counsel and foreknowledge of God. Easily more than one-half of the more than three hundred prophecies concerning the Christ found in the old testament find their literal fulfillment in His crucifixion. Such an event of the 'Determinate Counsel of God' so emphasized by Him in His work is worth of the closest attention and earnest consideration. He also challenges it by the fact that this is the most stupendous fact in history. The entire Bible looks forward to or harks back to this event. Dates are either B. C. or A. D. Because the great leaders of our present day have found that 'Humanity has failed to Save Humanity', and declared only Jesus the Crucified can prevent a cataclysm."

"God challenges man's attention to the Christ on the cross by the revelation of sin as made on the cross. Christ on the cross is man demonstrating what sin does for him. It degrades his will, prostitutes his emotions and darkens his intelligence."

"He challenges the attention of man to the Christ on the Cross by the outshining of Grace from the

Cross. God's love will not be gained, man may rebel but God will remain on the throne and love and find a way of escape."

"By compelling every man where the gospel is preached to take his stand for or against the son of Man Crucified. Neutral ground there is none; Where do you stand?"

There is no service tonight, Rev. DeVries speaking Sunday night on "The Death of Jesus."

WANT LARGE CARS

LaCrosse, Wis.—Pursuant to orders of the common council, City Attorney Oscar J. Swennes has filed with the Railroad Commission of Wisconsin a protest against the installation of one-man street cars on lines of the Wisconsin Railway light and Power company in this city. The company announced it had ordered eight of the new style cars to replace double truck vehicles here.
